

Attleborough Neighbourhood Plan (ANP) - Feedback sheet

A lot of effort over the past couple of years has gone into preparing the detailed plan you see before you. We believe the proposals reflect the needs of Attleborough and are achievable. We have worked with various groups in the town to produce the ANP and we believe that it reflects the needs of Attleborough in a realistic and achievable way.

This is your opportunity to have your final say before the document goes forward to Breckland then to the independent examination.

Please use this sheet to return your comments - return to the Town Hall by **Wednesday 17th August 2016**
